

Notice of Fare Increase – Rural Stage Carriage

The Transport Authority wishes to advise the public that effective Tuesday, June 2, 2026, the rates for Rural Stage Carriages have been increased by 8% from a base rate of \$45.00 to \$49.00 and a rate per kilometer of \$6.00 to \$6.48.

A further 8% increase will take effect on July 1, 2026 for Rural Stage Carriages. The base rate of \$49.00 will increase to \$53.00 and the rate per kilometer will increase from \$6.48 to \$7.02.

How to calculate the fare:

Base Rate + (distance travelled in km x rate per km). Each fare once calculated is rounded to the nearest \$10.

The Base Rate and Rate per KM are as follows:

JUNE 2026

Rates: Base Rate - \$49.00

Rate for each km (Rate per km) - \$6.48

Example: For a passenger travelling for 76 km, the calculation would be:

\$49 + (76 x \$6.48) = \$541.48. The fare rounded to the nearest \$10 would be **\$540.**

JULY 2026

Rates: Base Rate - \$53.00

Rate for each km (Rate per km) - \$7.02

In July, for that same passenger travelling for 76 km, the calculation will be:

53 + (76 x 7.02) = \$586.52. The fare rounded to the nearest \$10 would be **\$590.**

Current Rates (2023 to May 2026)

Licence Type	Base Rate	Rate Per KM
Rural Stage Carriage	\$ 38.00	\$ 5.00

Adjusted Rates at 8% increase – Effective June 2 and July 1, 2026

Effective Date	Base Rate	Rate Per KM
June 2026	\$ 49.00	\$ 6.48
July 2026	\$ 53.00	\$ 7.02

The fares to be charged along Rural Stage Carriage routes island-wide are attached.

N.B. Children, students (in uniform), physically disabled and senior citizens pay HALF (1/2) the fare quoted above.

Please note that children under 12, students in uniform, physically disabled persons and senior citizens should pay HALF (1/2) the regular fare.

RURAL STAGE CARRIAGE FARE TABLE

The table below shows the fares for **June 2026** along Rural Stage Carriage routes. In using the table look for the place you are leaving from on your left and then the place you are going to at the top. The fare is the point where both places intersect. For example: Annotto Bay to Kingston is \$380.
